

TOWN OF SOUTHWEST RANCHES, FLORIDA
Building Plan Review and Inspection Services
RFP No. 18-002
Friday, January 26, 2018

ADDENDUM 1

1. **Question:** On page 35 of the packet, it indicates that if a proposer relies directly on a Subcontractor to meet the license requirement, the proposal would be rejected. We do not hold the license directly, but the information also indicates that experience can also be used to meet the requirement. Please clarify this section of the RFP.

Answer: All proposers responding to this RFP (as opposed to subcontractors working for or under a proposer) must either comply with chapter 468, Florida Statutes, including possessing all certifications required therein, or be exempt from the requirements of such chapter, such as persons licensed or certified to practice under chapter 481, Florida Statutes (architects), chapter 471, Florida Statutes (engineers), or chapter 489, Florida Statutes (contractors).

2. Correction to typographical error on Demand Star website advertisement:

Non-mandatory pre-proposal meeting date is scheduled for Thursday February 8, 2018 at 11:00 am.
